Brad:

Right now Paul, Mary, and I are all available the week of Oct 19 and the week of Oct 26 for a meeting with you and the RP's for a presentation on their cooling loop system.

Please let us know as soon as possible the date, time, and location of the meeting so we can lock it down on our schedules.

We'll have a list of cooling loop pilot study information we'd like the RP's to present/provide sent to you by the end of the week.

Thanks,
Robyn
